

HSA Pioneer Unit Plant Sale

March 13 & 14, 2026
Plant List

This list does not include all the plants available for sale. However, we have tried to include a complete list of herbs that will be available at opening on Friday, March 13. We encourage you to shop early. We do our best to create a sensational selection, but plant quantities are limited. We sell out quickly -- come early, and often!

In addition to the plants listed below, you will find a selection of tomatoes, peppers, and eggplant varieties. We will also have blackberry bushes and many types of annuals, succulents, gerbera daisies and geraniums.

As always, thank you for supporting the annual plant sale of Pioneer Unit of the Herb Society of America. The proceeds from this event will benefit our herbal education programs and scholarship funds.

The Herb Society of America, Pioneer Unit, PO Box 23,
Round Top, TX 78954
